LATE FOREIGN NEWS!

EUROPEAN.

Paris, July 28. - The Assembly has postponed until the 4th of August, the question of distributing smong all the Departments of France the loss of property and material occasioned by the German

Marshals Bazaine and Canrobert, and General Wimpfen are summoned to attend before the Committee of the Assembly to investigate into the conduct of the late war. Paris, July 30. - The number of Communists

awaiting trial is 32,000, and in order to render possible the disposition of so great a number of cases, a bill will be introduced into the Assembly, increasing the number of judges, and removing all restrictions from those judges who have at any time committed themselves against, or been obliged to act sgainst the Versallies Government.

Paris, July 30 .- The Official Journal says: "An interview is arranged to take place in September, at Versailles, between Lord Granville, Von Beust and Thiers, when the Eastern Question, in all its bear-

The elections to fill the vacancies in the Municipa Government, unfilled at the last election, were held to-day. Twenty candidates of the Paris Union, and twenty-six, who were in another list, were elected. The result of the elections for members of the Municipal Conneil of Paris is declared. The Council is composed of 38 Conservatives, 27 Republicans, 7 moderate Republicans, and 10 Ultras. The abstentions from voting are attributed to the

Wales' challenge cup.

A telegram from Constantinople says the street state of siege exercising a baneful influence everywhere. The porcelain factories at Sevrea are re-Railroad is opened to public use and is a complete established. DUBLIN, July 31.-Great enthusiasm is manifested over the expected visit of the Prince of Wales, who, tron of the Free Masons of Ireland.

The ship White Jacket, from Bombay to Hull, Eng-

with Prince Arthur and the Duke of Cambridge,

arrived to-night. land, has been totally lost on Bodrigues Island, in Later Disputch. - The Prince of Wales and party the Indian Ocean. strived here to-day, and had a popular reception. The weather was cold for the senson, but the streets next session of Parliament, all questions of reform were crowded with spectators. The demonstration in the statute laws of the United Kingdom. was not so enthusiastic as it might have been under more favorable circumstances. The Fenian element dition of affairs in Algeria is still critical. Some of was not absent, and as the royal visitors passed over the commanders there refuse to obey orders, and the the route some hisses were heard. The city is dec-General commanding threatens to resign. orated with fisgs, but the illumination to-night is

not so general as might be expected. STRASBURG, VIA BERLIN, Aug. 1 .- In only a few places in Alsace and Lorraine, have the municipal elections been declared valid, in consequence of the abstentions from voting. The French party were successful at Metz; Liberals and Moderates

elected their tickets in other towns. BELFORT, VIA BERLIN. Aug. 1 .- The policy of abstention has defeated the elections in the Upper Rhine, and only a few candidates have been elected in the Lower Rhine Department.

Gambetta has submitted to Thiers a proposition for the re-organization of the army and civil service. The army plan is supposed to be the work of Faidherbe and Chanzy, in conjunction with the Dac d'Aumale and Prince de Joinville. Thiers and Mc-Mahon approve of the plans. Some surprise is expressed at the co-operation of the Princes with Gambetta and Thiers. Paris, Aug. 1.-The Communist prisoners were

notified, yesterday, that they will soon be brought to trial, but no date was fixed. The Official Journal says it has been proved that the Vincennes explosion was accidental. The same paper contradicts the story of the burning of the to-day. The Board of Works prohibited the proposed

Cathedral and Episcopal Palace at Tours. Paris, Ang. 1.—Several Deputies to the Assembly Westmeath, O'Byrne, editor of the Iriannan, and Sulhave received urgent communications from large numbers of their constituents, expressive of a desire numbers of their constituents, expressive of a desire numbers of their constituents, expressive of a desire numbers of their constituents. that they should cast their votes for the prolonga-tion of the term of office for Thiers as the chief Park, within 300 yards of the Vice Royal Lodge,

VERSAILLES, Aug. 2.-Thiers, yesterday, threatened resignation in consequence of the defeat of the Decentralization Bill, but to-day it is not thought it of 500 men, wearing the green, arrived, mounted the will be made a Cabinet question. Paris, Aug. 2 .- The Courts-Martial have adjourn-

ed to the 8th. The acceptance of the resignation of Favre is confirmed.

The restoration of the fortifications of Paris are olug on at a rapid rate. It is rumored that Cardinal Antonelli has sumoned Bishop Dupanloup to Rome.

Thiers is consulting with General Cissy, with the view of increasing the army. It is rumored that De Renusat is to be appointed Minister for Foreign Affairs. The Debate consures the Government for siding

with the minority, and demands a Ministerial The Minister of War has asked the Assembly committee on the Budget for a supplementary redit of 218,000,000 francs.

A Paris dispatch says it is reported that Thiers has induced his colleagues in the government to remain in office. M. Roux, one of the leaders of the abortive Communist insurrection in Versailles, has been con- at Toulon in view of possible complications in the

demued to death. Americans visiting Europe must bring passports, especially naturalized citizens, as the latter can not get them here without showing the proper papers. It is rumored that the repeated adjournments of the Courts-Martial for the trial of Communist prisoners, is for the purpose of paving the way for an

There was a duel between Dolpheci and Middleon. The latter, an Englishman, had written articles nsulting to the Garibaldian Army. Middleton was Thiers, replying to a delegation from the occupied

provinces, lutimated that in six weeks the occupa tion of the German troops would be limited to Champagne and Lorrsine. The only French prisoners now remaining in Gerany, are four officers and eight bundred privates

in hospitals, and ten officers and seventy privates, imprisoned for various offenses. pers have been selzed at Marseilles relating to the | would be no objection to their work, but when they purpose of the Internationals to fire the docks, burn the shipping, and to take the city during the confusion which was supposed would be a consequence

of the conflagration. Nancy and Bourges were to be fired and taken on the same plan. LONDON, Aug. 1 .- There is a growing uneasines In the public mind on the fact that the cholera has raged two years in Russia. As the terrible scourge as not yet reached the frontier, a close watch has been instituted to prevent its progress. Apprehension exists everywhere, it not having advanced upon Bermany in the usual way. It may now come by way of the sea, and the Government has presented regulations to be enforced upon all ships from the Spanisrds

at Hull, which is on the route of emigrants from Grand Lodge of Odd Fellows in the Oregon jurisdic-North Germany to America. There is some anxiety touching the choiers, which tion, died this morning. appears in the south of France. One case has occorred at Hull. killed and wounded are not yet known. New York, July 26th.—A private latter by the last steamer from an American resident at Para, Brazil, dated July 4th, says: The cholera has assumed a very malignant form at Para. Nearly every stranger in the city has died. The English Consul died a few days ago, and to-day his wife is dying. Drs. Lamos, Walcher, Gundror and Labon, and all other Brazillan physicians are losing nearly all of their patients with fever. All strangers are liable to take the fever in Para, and nearly every Portuguese who emigrated to Para within the past six or eight months has died. Several steamers which lately arrived at New York from Para have been quarantined in the lower bay, onia easily in the race yesterday for the Prince of that the last steamer from Bio was permitted to reach her dock, though she had touched at Pars.

Captain John Melks, who in 1867 crossed the Atlautic on an India rubber life raft, has another raft made fifteen feet long and twelve wide, on which he intends to go to Europe, accompanied only by a hoy. He will be ready to start about the middle of August, and will carry with him sixty days' provisions. He will take the direct steamer's track.

A despatch from Washington says information is received that Catsuazy, the Russian Minister, will be recalled.

CITT OF MEXICO, July 20th, via HAVANA, Aug. 5th. Sunday Evening. - The Paris journals say the con--The Permanent Deputation of Congress finished counting the electoral votes for President on the 27th inst. Following is the result: Diaz, 1,682; Juarez, 1,965; Lerdo, 1,366. There being mucholes, according to the Constitution, the election goes to DUBLIN, August 3rd .- The Prince of Wales will Congress, where, if a coalition of the opponents of be appointed Provisional Grand Master of the Dub-Juarez is effected, a majority will be against him. An attempt will be made to units the vote of the The Orangemen and Catholics are preparing for a opposition on Disz. The Permanent Deputation is riot at Londonderry, on the 19th of August. The tnown to be hostile to Juarez. There is a report llitary of that city will be held in readiness, and that his purpose is to bribe doubtful Congressmen reinforcements dispatched by the Government to and imprison others before they reach the Capital. On the other hand, the Diario, the official organ of FRANKFORT-ON-THE-MAIN, August 3rd .- A Holand firm (?) has sold in Frankfort-on-the-Main the . the Government, declares that Juarez has a respective over all bis competitors. In this conflict of authoribonds of the Rockford and St. Louis railroad to the ties and direct contradiction of statements, it is imvalue of nine million dollars. It has been found out possible to tell, as yet, who is actually elected. The that the whole transaction is a swindle, and the mat-States of Puebla, Oaxacs and San Luis Potoel threaten to revolt, and the prospects of the country are BRRLIN, August Srd .- The Cross Gazette says that gloomy. A revolution has begun in Tabasco. The the Emperors of Germany and Austria will meet at Voz de Mexico has a blitter article sgainst the Protestants. It noints to certain crimes as coincident with the introduction of evils produced by religious omplices in the assassination of Marshal Prim have divisions. The same journal calls for the restriction of suffrage.

> THE SLANDERER. -- The first slanderer was the Devil. He poisoned the cars of many happy angels in Heaven by libelling our Great and Good Creator: by his supreme evil eloquence he invented plausible Hes and aroused jealousies, where before peace and eternal shame and damnation. The world is full of little, despicable human devils, who, in the limited aphere of action, ape their great prototype and poison the whole social atmosphere where their peatifutation of all above them, and whose great pleasure In life is to watch their accursed and venomed poison work its hellish purposes-gloating over the wreck miseries that follow in its train. The purer, the nobler, the more elevated, the more worthy the vistim, the greater their infernal joy. Assassiu-like, the slanderer ever strikes in the back. While in your presence and under your observance, he in the smilling, toadying sycophant; behind your back and in your absence, he cautiously whispers in some willing, credulous ear, his libels, often under the pledge of secreey;

"Knowing himself a villain day He pure his faith in none.

peatedly, but eventually order was restored. The Coward at heart, he is envious and Jeslous of every leaders of the meeting are to be prosecuted. During noble quality and attribute in his fellow man, and the riot the military were prepared but were not his deformed moral nature wreaks its rengeance by called out. The fighting extended all the length of smirching the fair presentment of "God's nobiest the quay. Every window showing a flag in honor work-an honest man." We said he was a coward at heart; we erred, he has no heart; he has a liver LONDON, August 7th .- The Standard says the men instead, all blue, livid and spotted, fringed with of-war Magenta Magenanime and Revanche are ready white, the fretted bile of which inflames his tongue and slobbers forth its corruption on all that's decent East. A Prussian was hung at Poligny, in the Juraand respectable. A community has no curse an a riot followed, the Germans wounding twenty and baneful-so destructive of all good feeling, faith, threatening the place. Quiet was restored on the friendship, and all that goes to make the som of social pleasure and happiness as the slanderer. Be-Ashbury's contests are unsatisfactory. He will ware then, of the man or woman who is weer eager refit the Cambria for America. The Livenia remains to pour forth into your ear some report or tale that is discreditable to the virtue of your relighbor. Ten Minister Schenck removes to Fleming's Hotel, to one it is wholly false, and ninety-nine to one it is an invention, bred in the malicious brain of the sian-LONDON, August 7th .- The city is simost deserted derer. If in bell there is one lower, hotter pit than to-day. The markets of London and Liverpool are another, it is surely the future home of him or her all closed, in consequence of the regular bank holwho wantonly or secretly murders the character and standing of a good woman. The very devil himself will blush with shame as he usbers into his eterna Washington, July 24th, -Official despatches from abode his earthly imitator, and frown to be remind. ed by so insignificant a soul, of his own first, great Admiral Rodgers and Minister Low, confirm the sin in Heaven. Despised by men, hated by the telegraphic accounts heretofore published in regard devil, ignored by God, the lowest, meanest, vilest, and most cowardly of all humanity, is the slanderer dated June 3d, says that when the surveying party

> "BOTTLING THE SUN" Is the characteristic title given by its French discoverer to a curious process by which the heat of the sun can be fixed in a closed vessel so as to be used at will. A vase constructed for the purpose is exposed for a quarter of an bour to the action of the sun's rays, when it is bermetically scaled with a cork, through which a small bole has been drilled. Upon holding a powerful lens before this hole, and converging the imprisoned rays on the wick of a candleabout a yard distant, the can dle is lighted almost instantly. The discovery is certainly a most curious one, and may prove of great

> THE celebrated racing horse "Longfellow," believed to be the fastest in America, has been sold by Mr. Harper, his owner, to an Roglishman for \$100). 000, that figure having been offered after the soimal had made his running mile in 1:40, the quickest time on record or anywhere else.

THE son of Napoleon, Prince Louis, is a great favorite with the British public of all classes. Recently, at a military review, the young Prince was just is the rear of the royal line of carriages, and the people finding out who he was, set up the heartiest cheers of the day for the lad.

Tunes heavy golden vasus were lately found at Pompell, in the middle of a street, only a few feet under ground. It is believed that they were carried that the bearers were killed while moving through
